

# SEPTA Information

**\*\*\* ROUTE 101/102 SERVICE OUTAGE \*\*\***

## **Saturday — Sunday**

February 27<sup>th</sup> – 28<sup>th</sup>

March 20<sup>th</sup> – 21<sup>st</sup>

March 27<sup>th</sup> – 28<sup>th</sup>

### **Route 101 and 102 Trolley Shuttle Bus Substitution 69<sup>th</sup> St. Transportation Center to Media & Sharon Hill**

Beginning Saturday morning 4:00 AM, through the end of service on Sunday, on the following dates: February 27-28, March 20-21 and March 27-28 buses will replace all Route 101 & 102 Trolleys between 69th Street Transportation Center and Media (Orange Street) & Sharon Hill Station. Customers should plan for approximately 15 minutes of additional travel time and look for signage at stations for bus boarding locations.

Full details on the Route 101 & 102 shuttle busing, including downloadable timetables, will be posted on the Route 101/102 Service Improvement Program page on SEPTA's website at: <http://www.septa.org/>.

The shuttle bus substitution is necessary to allow SEPTA and third-party forces to safely perform track construction and maintenance work along the Route 101 and 102 Trolley Lines.

*SEPTA greatly appreciates your patience and understanding while these important improvements are being made.*
