

It is with deep regret and sadness that we must announce the cancellation of the Annual Springfield Township, Delaware County, Pennsylvania Saint Patrick's Parade, which was originally scheduled for Saturday, March 13, 2021.

We take this action due to the ongoing Pandemic with COVID-19, and other associated issues.

We don't take this decision lightly. Understanding that this event is a long time Springfield tradition. We hope you will understand that the decision was made keeping the health and safety of all, participants and members of the public, at the forefront of our decision.

We hope to see everyone at next year's parade on March 12, 2022.

**STAY SAFE!**
